### Homes Razed and Wildlife Destroyed When Forest Fire Strikes

RAGING FIRE in Birch Hills burned out of control in rich timber stands four miles south of Wainman. Flames rose high in air and wind carried sparks across roads and streams. Scenes such as this were common to smoke-soaked eyes of weary firefighters.

AS FLAMES passed, charred skeletons of once-proud spruce pointed to the sky as silent witnesses to wave of destruction. Wild life lost heavily in Birch Hills of Peace River Country and many deer were trapped when fire carried by gale winds surrounded them.

WEARY FIREFIGHTER watches silently as flames sweep toward him and his home. Grey smoke obscures rich timber stands that by now are nothing more than blackened ruins. At least two homes burned near Wainman.

### 28 Forest Fires Threaten Alberta

#### Crops and Timber Lands In Path of Raging Flames

The north country is under a suffocating pall of black smoke today, families are homeless in the path of raging forest and grass fires, and every available man has been ordered up to duty on the fire guards.

As the menace of fire grew with another sunny dry day, 28 forest fires in unoccupied timber territory and many settlement fires, including two serious ones, were reported burning.

At Wainman, 340 miles northwest of Edmonton, crops and homes have already been destroyed.

At Fishing Lake, 165 miles northeast of Edmonton, homes of 60 McLean families are threatened by a fire crackling through scrubby timber towards the settlement.

Metis residents are away from the danger area, harvesting crops at Dewberry and Naraway and RCMP are attempting to locate them and call them back to the fire zone.

The most serious of the timber fires loomed up a little on the fertile Birch Hills district at Wainman overnight.

As the wind died last night, valiant fire fighters lit a back fire and drove it backward to meet and partially smother the main fire. But a high wind would send it rampaging again, and possibly sweep it further along the Birch Hills edge into other Peace River district towns.

This morning, residents of the district, weary from the efforts, said they think they have the fire temporarily controlled.

But a high wind would send it rampaging again, and possibly sweep it further along the Birch Hills edge into other Peace River district towns.

TOWNS IN PATH  
Directly in the path of the fire is the town of Wainman, 340 miles south of Edmonton, 30 miles south of the Birch Hills district.

Wainman is a vital communications hub astride the major route of Communists withdrawing from the United Nations' expanding Pusan beachhead in the far southeast.

MILE-WIDE SWATH  
U.S. marines used bayonets and flame throwers to make a mile-wide swath through Soviet industrial waters south of Yonaguni, on the southwest side of the Ryukyu Islands, and the rail and highway lines into the capital from the northeast.

These were the terrifying phases of the amphibious assault aimed at seizing Seoul, the distribution centre for Communists faltering and fleeing in the south. Barring effective reinforcements from the north, it also puts the (Continued on Page 2)

#### SKELETON OF SAXON RINGS COPS' KLAXON

MOGGERHANGER, Bedfordshire, Eng., Sept. 22.—(Reuters)—Police were called in from nearby Bedford yesterday when construction men digging in an orchard unearthed a man's skeleton.

But it was decided no inquest would be necessary. F. W. Kuhlbeck, Bedford museum, identified the bones as those of a Saxon man, from 1,100 to 1,500 years old. The teeth were perfectly preserved.

### Packing Workers Get 11½-Cent Wage Boost

TORONTO, Sept. 22.—(CP)—Agreements providing for general wage increases of up to 11½ cents an hour were signed to day between the "Big Three" of Canada's meat-packing industry and the United Packinghouse Workers of America (CIO).

Canterbury Tours  
LONDON, Sept. 22.—(Reuters)—The Archbishop of Canterbury, Most Rev. Geoffrey Fisher, left today with his wife for a tour of Australia and New Zealand. The head of the Church of England plans to return at the end of January.

#### Markets In Brief

TORONTO, Sept. 22.—(CP)—Paper prices rose a broad-based advance was the Toronto Stock Exchange today. Demand continued to rise in paper and spread into the remainder of the industrial market, carrying the average price level to a new peak for a second successive day.

Gains ranged from fractions to more than two points over a broad list of leading individuals. Activity increased on the upturn and volume was about 1,000,000 shares.

A further decrease is expected early next week in most prices, according to most buyers here.

Steel, on the other hand, has remained at the same level.

City merchants reported today that the drop in pork is due mainly to increase in the market supply which experienced a slight slump this week. Blackening of Calgary hog prices has also brought a cut here.

#### AVERAGE 3-CENT DROP

Legs of pork are retailing at 30 to 32 cents in Edmonton stores today, an average drop of three cents from last week.

One large Edmonton store cut its price on choice lamb from 81.00 to 78.00 cents during the last two months.

Merchants agreed that supply of grass-fed cattle now reaching markets will bring beef prices down within the next week or ten days.

"The meat market is showing signs of general weakening, everywhere," a department store manager stated. "But so far it has not been greatly felt in Edmonton."

He explained that the meat market in Edmonton is very firm at all times, and that prices hold steady because of the large percentage of shipments to other parts of Canada or British Columbia.

Federal government's decision to allow pork exports and imports after January 1 will bring a sharp rise in all meat prices here early next week, merchants said.

#### GBS May Get Out of Hospital In Two Weeks

LONDON, England, Sept. 22.—(Reuters)—Doctors said today that George Bernard Shaw might be out of the hospital in two weeks if the condition of the 86-year-old playwright continues to improve.

A hospital bulletin last today said he had spent a satisfactory night last night after undergoing second operation in 10 days yesterday.

His recovery from an operation for a broken thigh, Sept. 11, has been delayed by a recurrence of a long-standing kidney disorder, for which yesterday's operation was performed.

### Late News Flashes

#### Many Killed In Floods

NEW DELHI, India, Sept. 22.—(AP)—Widespread loss of life and high property damage in the Kashmir Valley due to floods were reported here today.

#### 4-Man Fire Team Leaves

PRINCE ALBERT, Sask., Sept. 22.—(CP)—A four-man firefighting team took off from La Ronge today to parachute or land near a bush fire 250 miles north of here. La Ronge, 150 m. north of Prince Albert, is headquarters of the smoke-jumpers.

#### Korean Troops China-Trained

LONDON, Sept. 22.—(AP)—A spokesman for Red China's foreign ministry was quoted tonight as saying that China-trained Korean troops have been sent into the Korean battlefield. But, the spokesman said, the Koreans are those who came to China's assistance in her years of revolutionary struggle since 1925.

#### Fishing Boat Is Wrecked

PRINCE RUPERT, B.C., Sept. 22.—(BUP)—The wooden fishing boat "Scrub" has been wrecked in a North Pacific gale off Queen Charlotte Islands, P.C., and two men are missing. Three other men aboard the 36-year-old sloop abandoned ship and are believed safe. Skipper of the vessel is a captain Peter Jackson, whose home port is unknown at present.

#### Scientist Dies In Ireland

DUBLIN, Republic of Ireland, Sept. 22.—(Reuters)—Professor Edward Arthur Milne, British scientist who gave the world a new "expanding universe" theory, died in hospital today. He was 54.

#### Truman's Veto Vetted

WASHINGTON, Sept. 22.—(AP)—The House of Representatives today overrode overwhelmingly President Truman's veto of the anti-subversive bill which he said would "give aid and comfort to those who would destroy us." The bill was sent to the Senate, which was set to follow suit and enact the law over Truman's veto.

#### Bank Messenger Dies

NEW YORK, Sept. 22.—(AP)—A 49-year-old bank messenger died of a heart attack today moments after four armed masked men snatched a \$16,000 payroll from him and fled through downtown Brooklyn streets. Harry Schindler collapsed and died as he was reporting the holdup by telephone to police.

#### Crash Kills Two

DAYTON, O., Sept. 22.—(UP)—An Air Force B-26 light bomber crashed and exploded yesterday on a runway at Wright-Patterson Air Force Base, killing the crew of two officers.

#### Stimson Improving

HUNTINGTON, N.Y., Sept. 22.—(AP)—Henry L. Stimson, former war secretary, observed his 83rd birthday yesterday, still recovering from a thigh fracture he suffered in a fall last July.

### Heat Record Set Thursday

Edmonton's all-day September warm spell began shattering 30-year records yesterday.

When thermometer rolled up to 83.8 at 3:30 p.m., it neared an all-time high of 84 for Sept. 21 of 1897.

Last night it was 81, highest for this time in 70 years.

Today, mercury will be in the 80's (forecast 80) and will easily break the Sept. 22 high temperature of 80.3 which was in 1896.

#### SAME TOMORROW

Temperatures tomorrow will be much the same, and weather sunny and warmer.

All across the province similar weather is prevailing and temperatures are averaging 29 degrees above normal for this time of the year.

Yesterday in Medicine Hat it was 88. In Lethbridge, Wainwright and Swift Current 83. In Grande Prairie and Jasper 82, and in Banff 81. Edmonton's 83.8 was 22 degrees above normal.

### Man Finds Ocean Isn't Barrier for Mounties

An Edmonton accountant who fled to England to escape conviction by city police now knows that "Mounties" always get their man.

New sentencing in a city police cell is Allan Grant Daffin, 28, who this morning pleaded guilty to passing worthless cheques totalling nearly \$17,000.

Arrested Sept. 7, at Maidenhead, Kent, Daffin was remanded in custody while Sergeant Gordon MacGillivray, Edmonton RCMP detachment, flew to the Atlantic to catch him.

#### BROUGHT BACK

Last night the Mounties returned to Edmonton with his man. The prisoner was treated by Drs. Frank Kingsmill and Jack Cookman, after he applied for a job in England giving Imperial

### Allies, Reds Battling At Close Range

TOKYO, Sept. 22.—The Allied 10th Corps and North Korean deserters battled bitterly for Seoul at close quarters today on both sides of the Han River. Some of the fighting was at bayonet range.

To stand off reinforcements for the Red-held capital, the allies put forces across rail lines and highways north and south of the city.

Units of the U.S. 7th Division drove into Suwon, 30 miles south of Seoul, from the 10th Corps' Inchon-Seoul beachhead.

Suwon is a vital communications hub astride the major route of Communists withdrawing from the United Nations' expanding Pusan beachhead in the far southeast.

## 'Annie Get Your Gun' Is Show Business Epic

MGM's merriest musical in many a year, "Annie Get Your Gun," begins today at the Capitol Theatre.

Comical Betty Hutton stars in the leading role as the straight-shooting backwoods girl, Annie Oakley, who leaves the backwoods to live in Cincinnati.

That's where the picture begins, when the Buffalo Show comes to town. Louis Calhern is Bill, securing one of the "sharpshooters" sharpshooters, Frank Butler, played by Harold Keel.

Annie makes a visit to the show, and here meets, beats, and falls in love with Frank. She even goes so far as to join the troop just to be near him. She is named Frank's assistant.

### CURTAIN TIME

CAPITOL — "ANNIE GET YOUR GUN," 12:30, 2:30, 5:00, 7:00, 9:15.

RIALTO — "WINCHESTER '73," 1:10, 3:10, 5:20, 7:20, 9:30.

EMPIRE — "THE CARIBOO TRAIL," 1:00, 3:40, 6:20, 9:00.

STRAND — "UNKNOWN ISLAND," 1:10, 3:10, 5:20, 7:20, 9:30.

VARSCONA — "THE BLUE LAGOON," 1:00 and 9:00 P.M.

MERRY MIX-UPS between vivacious Betty Hutton and handsome screen newcomer Harold Keel in MGM's costly "Annie Get Your Gun," will bring laughs galore set them for music and song. Picture, filmed in Technicolor, begins today at Capitol theatre.

## Canada Traffic Control Scored By Ford Head

WINNIPEG, Sept. 22.—(BUP)—Rhys M. Sale, president of Ford of Canada, said last night Canadian traffic control was outmoded and urged establishment of a research foundation to bring it up to date.

He pledged the auto industry's support to such an undertaking. "If such an institute were to be established," Sale said, "I feel certain it would be generously endowed by all branches of the motor transportation industry."

Sale made his suggestion in a speech at a convention of the Canadian Good Roads Association here.

EMERGENCY PROBLEM. "We should have in Canada a national institute of some kind which would focus the keenest scientific minds upon this urgent problem of highway congestion," he said.

"I am thinking in terms of an institute or foundation staffed with experts in every phase of traffic science and equipped for practical research in such fields as highway and street design and construction, in modern laws planning, and in traffic movement and control."

Sale said Canadians were trying to operate "in a progressive 1950 economy with a road system that is years behind the times."

MYRIAD OF SIGNS. He cited experiments with "stop lights, a myriad of signs, one-way streets, parking meters, and a lot of other ways to dodge street-widening and new construction programs."

"The resulting traffic congestion, he said, was costing Canadians "tens of millions of dollars each year" as well as a rising death toll.

"Current methods of crisscrossing traffic into limited facilities were 'as hopeless as putting 10 gallons of water into a 10-gallon hat,' Sale said.

# Outlook on Jobs Claimed Brighter

Labor Minister Says Work Plentiful Since Rail Strike

OTTAWA, Sept. 22.—(CP)—The employment picture for the remainder of this year looks bright, Labor Minister Gregg said yesterday in his monthly statement on the employment situation. He said now that the railways are back in operation "many new hirings can continue as scheduled."

"For the balance of this year employment in manufacturing is expected to be above the high level reached in 1946." The accelerated defense program and the increase in demand for many products would be responsible for the increase.

Mr. Gregg said that during the rail strike some firms temporarily laid off workers while others postponed making additions to their staffs.

As a result, registrations at National Employment Service offices increased to 151,800 at Aug. 31. This was about 5,000 more than at Aug. 17, but \$500 below the total at start of the month.

**PRAIRIE REGIONS**  
The increase in registrations—the first in almost five months—was mainly concentrated in Ontario and the prairie regions. In Newfoundland and Quebec the number of registered unemployed decreased in the two weeks of the strike.

In the maritimes and British Columbia the increase in registrations was relatively slight.

Reports from managers of local employment services offices indicated that married women are seeking jobs in much greater numbers than last year, largely because of the increase in the cost of living.

Primary iron and steel, non-ferrous metals, electric apparatus and pulp and paper are among the manufacturing industries which continue to respond to the increase in demand for their products in both Canada and the United States.

**HEAVY DEMAND**  
Demand for labor continued heavy in agriculture and logging. Although recent frosts have retarded the western wheat crop considerably, the need for harvest workers continues strong, especially as the Manitoba harvest this year coincides with that in Saskatchewan.

Demand for labor in pulp and lumber cutting in most sections of the country exceeded the supply. The heavy cut of pulpwood and lumber is expected to continue throughout 1950.

The construction of skilled workers continues.

Breakdown by regions at Aug. 31 with Aug. 17 figures in brackets: Newfoundland—St. John's 4,642 (4,567).

**MARITIME FIGURES**  
Maritime region—Charlottetown 441 (462); Halifax 3,183 (3,108); Sydney 2,229 (2,172); Moncton 1,940 (1,853); Saint John 2,296 (2,315).  
Quebec region—Chicoutimi 697 (713); Drummondville 865 (869); Lévis 1,225 (1,016); Montreal 19,394 (21,491); Quebec City 5,032 (4,707); Shawinigan Falls 1,060 (1,046); Sherbrooke 1,940 (1,775); Sorel 532 (442); Thetford Mines 637 (549); Three Rivers 1,668 (1,781).

Prairie region—Fort William-Port Arthur 1,588 (1,162); Winnipeg 8,407 (7,399); Regina 818 (681); Saskatoon 1,019 (1,000); Calgary 2,963 (2,597); Edmonton 2,485 (2,720).

Pacific region—Vancouver 11,381 (11,115); Victoria 2,018 (1,925); Prince George 110 (121); Canada—151,600 (148,500).

**Schools Need More Tutors**

Alberta's teacher shortage has been reduced to 116. Department of education officials said today reports from all school divisions in the province show the shortage has been reduced to 116 from the 144 reported two weeks after school term began.

Biggest shortage of teachers exists in the Bonnyville division in the northeast section of the province, adjacent to the Saskatchewan border. A total of 17 one-room schools in the division are without teachers, but arrangements are being made to provide students with correspondence courses.

Department officials said in 92 of the 116 schools lacking teachers supervisors of correspondence course studies have been appointed. Arrangements are being made to provide supervisors in other teacher-less schools.

**School Adds Rooms**  
ROCKY MOUNTAIN HOUSE, Sept. 22.—There are now 15 rooms in the town school as two new ones were built this summer.

The school now offers the same amount of instruction time in all classes as city schools. The enrollment is more than 500, with the following teachers: principal, G. A. Taylor, R. Dinsdale, Audrey Wigmore, M. McCune, Maria Galnor, Miss V. Genge, A. Kurlyo, W. Windsor, Mrs. H. Nyren, Mrs. E. Chambers, Miss L. Bergstrom, Mrs. T. McCabe, Mrs. H. Weatherill, Miss M. Murdoch and Mrs. D. Baker.

# Dewey Blasts Russia, Vishinsky Quits Dinner

NEW YORK, Sept. 22.—(AP)—Russia's foreign minister, Andrei Y. Vishinsky, walked out last night when Governor Thomas E. Dewey told a United Nations dinner that Russia has millions of slave laborers.

Dewey was addressing a Waldorf-Astoria hotel dinner of United Nations delegates at which the city of New York was host.

Vishinsky said nothing as he left the date and went out with his delegation. Jacob Malik, Soviet delegate to the UN, was behind him.

As Dewey saw them leave, he averred from his prepared text to remark: "I must say I am complimented by the withdrawal of those who plot the destruction of the world."

In the course of a speech Dewey charged Russia has interned from 10,000,000 to 15,000,000 people in slave labor camps. At that point, Vishinsky took his walk.

Dewey said: "It would be folly to ignore the stark fact that the Soviet Union has 10,000,000 to 15,000,000 people living in slave labor under conditions which amount to torture unto death."

**OTHERS LEAVE**  
As Dewey began the sentence a murmur was heard in the audience.

**EDMONTON BULLETIN, Friday, Sept. 22, 1950**  
As he ended it, there was applause from a large part of the 1,500 diners. Vishinsky arose, looked around and then strode toward the exit. A group of Soviet delegates followed him out.

Later in his speech, Dewey said Republicans are behind State Secretary Dean Acheson's proposals for dealing with future aggression in the world. Dewey said he gave this assurance as "stouter head of the opposition party."

Secretary Acheson proposed that an international force be organized to police the world.

**Coyotes Wail**  
BELLEF, Sept. 22.—Coyotes are causing unestimated loss to chickens and game in this district, besides bothering the town with their midnight wailing.  
For miles around they serenade the moon and are answered by neighborhood dogs.

### City Collision Injures Two

HEAD-ON COLLISION with car at Fort Trail and 129 avenue last night sent Edmonton motorcyclist and his woman passenger to hospital with severe leg injuries. Driver Arvid Anderson, 11457-95 street, suffered broken

right leg and broken right finger on right hand and passenger June McDonald, same address, severely cut right leg. Police have laid dangerous driving charge against James Thompson, driver of the car involved.

## Four Persons in Hospital After Pair of Accidents

### THIS YOUNGSTER ALL BOUND UP

KERTY, Scotland, Sept. 22 — (Reuters) — James Riddoch, five, travelled right through a mechanical binder and was delivered, bound with twine, in a bale of oats. He was riding on the binder when he slipped on to the conveyor belt, the jolt putting the binder in gear. He suffered extensive bruises and a chest injury.

### CNR Man Dies At Ashmont

ASHMONT, Sept. 22 — Nick Konevits, resident of Ashmont for the past 13 years died Saturday at the age of 48. Mr. Konevits was employed by the CNR having worked on the section for many years and lately had also established himself on a farm just east of the village. He is survived by his wife, two daughters, Mrs. Chester Adagowski, Chicago, and Doris at home. Funeral service was conducted by Father Hefferman in St. Alfred Catholic Church, Ashmont, Tuesday. Interment was in St. Brigid cemetery.

### Greek Catholic Church Opened

WETASKIWIN, Sept. 22 — A large number of worshippers attended opening of the new Holy Ghost Greek Catholic Church by the Russian father, Father Vanyk officiating the High Mass. The church is situated on four lots, was erected by volunteer labor. The seating capacity is approximately 300.

Accidents sent four persons to Edmonton hospitals last night, one of them in serious condition with two broken arms and multiple rib fractures.

With elderly Nick Pasenko in Misericordia Hospital is his 15-year-old son, Bill, both of Carvel, Alta. The younger Pasenko is in good condition with shoulder injuries and body bruises. The two were carried on a wild ride down the road near Carvel about 7 p.m. last night when the team of horses pulling their farm cart became frightened and rampaged out of control.

### HEAD-ON COLLISION

Two Edmonton residents were rushed to Royal Alexandra Hospital two hours later when their motorcycle collided head-on with an auto two miles north of Edmonton on the Fort Road. Arvid Anderson, 11457-95 street, operator of the motorcycle, has a broken right leg and broken finger on his right hand. Passenger June McDonald, same address, suffered a severely cut right leg.

James Thompson, Box 34, Wetaskiwin, driver of the car which collided with the motorcycle, was charged with dangerous driving, and today was remanded without plea in Monday in police court. The accident occurred at the Fort Road and 129 avenue intersection. City Ambulance took the injured to hospital and the accident was investigated by Sergeant B. Nicholson and Constable C. McVie. Quick work by the RCMP helped save the Pasenkos from more complicated injuries. On arrival at the accident scene, where the farm cart reportedly crashed into a ditch, RCMP constables rendered first aid and put splints on Nick Pasenko's fractures before sending the pair to hospital here.

To encourage new industries, the Indian government has exempted new industrial undertakings from income tax for the first five years up to a limit of six per cent of their capital.

### Killam Voters Approve Bylaw

BRIDGEWICK, Sept. 22 — Members of the Killam School Division, by their silent treatment, have given approval to a bylaw of the divisional board authorizing it to borrow \$200,000 for the purpose of erecting new classroom buildings. Notices advertising the bylaw have been posted and no petition demanding a vote of the ratepayers has been received, in fact, not the slightest opposition has been voiced at the divisional office.

Next step for the divisional trustees is to apply to the board of public utility commissioners for permission to sell the debentures. Added school facilities are planned for Sedgewick, Stron, Heister, Alliance, and Killam.

### Services Held For P. Bourque

WETASKIWIN, Sept. 22 — Funeral services for Phillip Joseph Bourque, 30, who died Sept. 11 from injuries received in an auto collision, were held at Sacred Heart Church Tuesday, Rev. Father J. R. McDonald officiating. Deceased was born at Grandique, N.B., and came to Wetaskiwin with his parents in 1928. He joined the armed forces early in the second world war and served for six years with the Westminster Regiment. Surviving are his parents Mr. and Mrs. Fred Bourque of Wetaskiwin, three sisters and three brothers. Interment took place in the Wetaskiwin Roman Catholic cemetery.

Caryatides are the draped female figures which take the place of pillars in architecture.

### HAIR IS CUT; NOTHING ELSE

(AP)—Beginning Tuesday, it will cost a man \$1.50 to get a shave and haircut in union barber shops here. The Barber's Employers' Guild boosted the price of haircuts from 85 cents to \$1.15, and shaves from 50 cents to 85.

### Wetaskiwin Show Opens

WETASKIWIN, Sept. 22 — An event of great importance to Wetaskiwin and district took place last Thursday with the opening of Wetaskiwin's new 13-seat 170, the "Cinema."

Managed and owned and operated by Emanuel "Manny" Pyre and associates Vladimir Pyre and Fred Wolkman, the theatre fills the entertainment need in this community.

"Manny" Pyre is no newcomer to the theatre business having previously built and been associate operator of theatres in Leduc and Devos. His first venture in Leduc ended in tragedy with the destruction by fire on the eve of opening of the Gaiety Theatre, but he and his associates rebuilt and successfully passed another opening night and the second "Gaiety" proved to be a profitable venture.

The new "Cinema" features all the latest theatrical innovations such as "Crying Room" for babies, Donut "Airhorn" leather covered seats with velvet backs and the latest type sound, screen and air-conditioning equipment, with powerful fans capable of completely changing the air in the theatre every four minutes.

The opening night ceremony consisted of a speech of welcome by Mayor Morley Merner and the presentation of a cheque of the proceeds of the receipts to Robert Leighton, president of Wetaskiwin community council, to the furtherance of the work of the organization.

E. "Manny" Pyre announced his intention in a speech of moving to Wetaskiwin to take up permanent residence as soon as it was possible.

## Big Yukon Mine Rates Number 2

### World's Second Largest Output Claimed for Silver, Lead Mine

United Keeno Hills Mines Ltd. mine at Mayo, Yukon, is now the second largest producer of silver and lead in the world with an annual output of 20,000 tons.

The mines are now employing 350 men the year round. H. B. Hicks, general manager for United Keeno Hill Ltd., said here last night. Mr. Hill was in Edmonton briefly on his way back to Mayo from a business visit to head offices of the company in Toronto.

Concentrates of silver, lead and zinc are being trucked over a new road constructed by the federal government 300 miles from Mayo to Whitehorse in the winter months.

### RIVER, RAIL, SEA

During the summer, ore is shipped by boat to Whitehorse then by rail to Skagway and by ocean to Vancouver.

Consolidated Mining and Smelting Company Ltd. at Trail takes the entire output of the mine for processing.

### China Gets New National Flag

SAN FRANCISCO, Sept. 22 — (AP)—A new national emblem symbolizing both the ancient might of China and the ideas of her present Communist leaders was announced yesterday by the Peiping Red Radio.

The new emblem, in gold and red, consists of the five stars of the Red Chinese flag shown over the Tien An Men, or "Gate of Heavenly Peace" which is the main entrance to the former Imperial Palace in Peiping.

# ALL FRY-CADBURY BARS NOW 6¢ INCLUDING TAX

Last December, Fry-Cadbury Ltd. reintroduced 5¢ Chocolate Bars.

The public showed its hearty approval of this policy; sales grew so rapidly we had difficulty in meeting the demand.

Today, higher material prices, especially of cocoa beans and sugar, make the 5¢ price more difficult to maintain.

Nevertheless, Fry-Cadbury Ltd. is glad to announce that, due to careful planning and efficient production, the basic 5¢ price

of all Fry-Cadbury bars remains unchanged until further notice, and, of course, the same fine quality will continue throughout.

Now, however, to meet the national emergency, our Government has placed a special new tax on all candy bars which means your Fry-Cadbury bars will cost you 6¢.

It is certainly worth remembering that Cadbury's Dairy Milk — Canada's finest milk chocolate — is only 6¢ a bar including tax.

## NEW MEDICINE FLOWN IN BY AIR CARGO

Sarnak medicine, discovered by B. H. Quarrell, sells so fast, he can barely make enough of it. Here is Mr. Charles Johnston, Manager, National Drug Company, welcoming first shipment of Sarnak by air to Winnipeg

Millionth bottle of Sarnak placed in shipping carton as it comes off production line. Where is the millionth bottle of Sarnak? No one knows, nor can tell until the contents of the bottle is used and the back of the label reveals a signature and the number 1,000,000.

### People Rush To Buy Sarnak as They Hear How It Aids Health

As news leaked out that the medicine that was causing such excitement in the East was to be distributed in the West, local druggists have been besieged with calls for Sarnak. Actually, the railway strike has made Western distribution late. Sarnak, which is said to bring quick relief to all forms of rheumatic pain and aid nutritional anemia, the stomach, kidneys and bowels, should be generally available in a few days. Some local druggists report they have already received a small stock.

This medicine has had skyrocketing sales in the East ever since it was first released a year ago. Quarrell, its discoverer, has outgrown three factories in that time and still has difficulty to keep up with orders. Sarnak's quick popularity results from the apparently fast relief it brings sufferers.

B. H. Quarrell, congratulating H. K. McFarland, chemist, on the production of the millionth bottle of Sarnak. The Company will pay the druggist who sells and the customer who buys it \$500.00 for the publication of their stories

## Left Wing Laborites Call for U.K. Voting

LONDON, Sept. 22.—(AP)—The left wing of the Labor party began campaigning out loud today for a new national election within the next few weeks.

The Socialist Weekly Tribune called on rank and file labor members to rebel against Prime Minister Attlee and support this course at the annual party conference starting Oct. 3 at Margate.

The Tribune reflects the views of Health Minister Aneurin Bevan and his strong following in the party. His wife, Jennie Lee, is a member of its editorial board.

The demand for a quick election brought into the open a split in Attlee's cabinet. Attlee is known to favor postponing the appeal to the voters, perhaps until next February.

The Labor government now has an effective majority of only seven votes in the House of Commons.

**HAVE REASONS**  
The Tribune insisted: "There is only one decisive way in which the deadlock can be broken. That is by a new appeal to the polls."

The weekly said that in a new election "it might be perfectly possible to secure a majority of some 60 or 70." It added:

"That prize, if it could be gained, could alter the whole situation at home and abroad."

"It could give the government the power to ensure that Socialist principles were applied in sharing any new burdens that this country must carry."

"More important still, it would enormously strengthen the Labor government's authority in foreign affairs."

The United States department of agriculture is experimenting with new chemicals to make plants poisonous to insects but safe for human consumption.

## Busmen Have Conferences

Drivers of some Alberta school buses will take a "busman's holiday" shortly to attend safety and driving conferences.

Department of education officials said the department, several Alberta school divisions and the Highway Traffic Board is cooperating in arranging conferences for the bus drivers.

Inspectors of the highway traffic board will attend the conferences, inspect the buses in use, explain driving regulations, and show motion pictures on safety subjects.

About 20,000 school children in the province travel to centralized schools by bus. Drivers who operate any of the 800 buses in operation in the province will be invited to attend the conferences where they are arranged by school division authorities.

## Dr. Infeld Intends To Stay in Poland

### Canadians Still Debating Access to Atomic Secrets

TORONTO, Sept. 22.—(CP)—Leopold Infeld, whose toughest job in Canada was to convince people he had no atomic secrets, is back in Communist-run Poland to stay.

Dr. Infeld, one of the world's outstanding mathematicians, said so in a letter of resignation made public yesterday by the University of Toronto, where he taught for 11 years.

In Ottawa, a government spokesman promptly said in effect what the Polish-born, 50-year-old scientist had always claimed: He never had access to Canada's atomic knowledge.

Other persons either said or suggested that his decision to remain in Poland indicates the Communist sympathy of which he was frequently accused. He always used to deny that, too.

From Warsaw, where he had gone to "visit," Dr. Infeld wrote: "I find here excellent conditions for research and scientific work and for instructing the young Polish generation."

### PRESIDENT SILENT

Dr. Sidney Smith, president of the University of Toronto, who announced the resignation, declined to make any comment.

Cod. Wallace Goddard, a retired soldier who once clashed verbally with Dr. Infeld on a public platform, told a reporter:

"This is Infeld's polite way of showing his colors. Now he has gone to the other camp. His statement just avoids the Communist party line, as it always managed to do when he was here."

Dr. Infeld, who as a child survived the miseries of the Czarist ghetto and who fled to Canada to escape pre-war persecution of the

## Triumphant Dodgers Get Base Hits at Banquet

**BASEBALL BANQUETING** are acting mayor Dick Hanna, long-time baseball enthusiast Pat Ryan and Dodger business manager Ken Samia. Occasion was victory celebration last night for the Cal Pickles-sponsored Dodgers who recently won Big Four championship.

**BATTING 1,000** and loving it is Dodger sponsor Cal Pickles. Included in the bevy of beauties surrounding him are Mrs. Vern Callahan, Mrs. Stu Barnston, Mrs. Doug Stewart, Mrs. Eric Wigland, Mrs. Morrie Hawkey, Mrs. Ken Samia and Mrs. Ross Kortgard.

## Renfrew Park Grandstand Question for Ratepayers

Question of whether the city should construct a new grandstand at Renfrew Park may have to be answered by the ratepayers, according to acting mayor Dick Hanna.

Alderman Hanna made this statement at the Trocadero last night in an address made at a banquet honoring the Big Four Baseball League champions, Edmonton Dodgers. He was bearing the city's good wishes to Ken Samia, Jim Ryan and associates.

He said, in part: "City council is sympathetic to sports, but in regard to construction of a new grandstand at Renfrew, we feel that whether we will build it or not will be decided by the ratepayers."

The old grandstand was devastated by fire last month, total loss approaching \$35,000. According to Hanna, only one-third of that amount was covered by insurance.

He said, however, that the Renfrew fire was not entirely disastrous, since something better would surely arise from it.

**PICKLES CHAIRMAN** Dodge sponsor Cal Pickles chaired the evening, but the public speaking duties were left to Hanna, Samia and John Dreyer, general manager of the Eskimos whom Dodgers vanquished in the Big Four final.

Samia introduced all players in attendance, presented each with an engraved cigarette lighter which stood four hands high. Among those receiving mementos were Morrie Hawkey, Eric Wigland, Ross Kortgard, Vern Callahan, Al Purvis, Bernie Anderson, Mike McInerney, Doug Stewart, Barry Robertson, secretary Stu Barnston, manager Jim Ryan and bat boy Bob Litter.

Absentees from the gathering were Don Stewart, Eddie Kapp, Ryan, in turn, presented Samia with a brief case in name of the team members.

**DUCEY SPEAKS** Mr. Ducey, who swallowed the bitter pill of defeat without too many quips, had his conversation breaking over the inside corner. He congratulated the Dodgers, saying "You guys beat us in the end on a tie. We choked up and never got untucked in the final series."

In a remark which was aimed at the Eskimos, he said:

**SEZ ANNIS STUKUS** Matheson, Spaitz Stampeters' Best

Annis Stukus is of the opinion that the Calgary Stampeder football machine would be no great shakes without guard Riley (Rattler) Matheson and quarterback Keith Spaitz.

But the Eskimo mentor and the 8,000 fans who will sit on tomorrow's Edmonton-Calgary tussle at Clarke Stadium aren't likely to witness the Stampers minus Matheson and Spaitz.

"The latter injured his ankle in last Saturday's duel in Calgary but he will be around tomorrow."

"Drop the 'we' I see it," said Stukus, "Stampeters would be in as ordinary ball club without those two guys. Matheson is just about the best defensive guard Canada has ever seen. He smells out plays and can be a great punter."

However, the winking chucker doesn't look for Stampeters to knock off Edmonton tomorrow, even with Spaitz and Matheson. Eskimos have trounced the erstwhile chucky Stampeters three times in three starts this season.

Everyone is in shape for this one, with scarcely a bruise in the camp worthy of mention in the newspapers. Paul Alford, youthful guard from Hamilton, missed last night's workout and may be cut from the club. He has not been used to any great extent all season.

Manager Al Anderson received

at Mr. Hanna, as much as at anyone else. Ducey said baseball was a public service and that a grandstand should be erected immediately in Renfrew Park to best carry out that service.

Socially, the Dodgers and their wives and gal friends batted 100 last evening. Everybody had, if you'll pardon the expression, a back of a tie.

## NOVELTY SHOOT POSTPONED ONE WEEK

President of the Edmonton Gun Club, Fergus Owens, announced last night that the novelty shoot scheduled for Sunday had been postponed a week.

It will now be held on October 1, thus enabling members of the Hillcrest Gun Club to participate in the Edmonton Club sponsored shoot.

Events have been so arranged for the novelty shoot that anyone interested in shot gun shooting, whether he is a novice or an experienced shooter, will have an equal chance.

Owens has announced that the Edmonton Club's regular Sunday shoot will go up at 2 p.m.

## Roseborough To Ref Here

REGINA, Sept. 22—(CP)—The Western Football Conference will return to the system of four officials for Saturday's games at Winnipeg and Edmonton. Last Saturday three arbiters were employed—all from cities of non-competing teams.

League secretary Bob Gillies announced yesterday that Paul Dojak of Regina will referee Saturday night's game at Winnipeg between Roughriders and Blue Bombers. Charlie Harrison of Calgary will be umpire, Andy Currie, Winnipeg, field judge, and Cliff McLaughlin, head linesman.

Cliff Roseborough, Winnipeg, will referee Saturday at Edmonton when Calgary Stampeters clash with Eskimos. Bill Corbett, Winnipeg, will be umpire, Ernie Stevens, Edmonton, field judge, and Paul Kirk, Edmonton, head linesman.

## Breaks Aid St. Joe's Win

By Ernie Fedoruk Steve Olander's blue and white tide from St. Joseph's took advantage of a few breaks offered them last night at Clarke Stadium to defeat Eastwood 13-2 in the opening game of the Senior High School Football League.

League swings right back into action tonight with a doubleheader scheduled for Clarke Stadium, starting at 7:30 o'clock.

Tubby Don De Black and Ed McDonald scored touchdowns for the winners with big Dick Lamoureux converting the first major. Mel Boehmer gave the Ted Sawchuk-coached Eastwood squad their only points, nailing Ken Courtepatte for a safety touch.

**LARGE CROWD** A crowd of 2,500 fans, majority of them high school students, took in the contest which was played under ideal conditions.

De Black, who was chosen all-star guard last year, gave Sep's first points in the opening minutes of the game, breaking in fast to block Stan Kulka's kick from Eastwood's 10 yard line.

De Black then picked up the loose oval to scot across the goal line. Lamoureux converted.

**McDONALD SCORES TO** Midway through the second quarter, McDonald made it 11-0 for Sep. He clinched a march downhill to crash over from Eastwood's three yard line.

Later in the same frame Kulka got a long boot away for Eastwood and his mates went in fast to stop Sep's ball-carrier on the one yard line.

On the next play Boehmer nailed Courtepatte behind the goal line for a safety touch.

Tonight at Clarke Stadium Scots, last year's champions, will meet Westglen in the opener while Vie plays University in the second half of a doubleheader.

# Tigers Claw Back to Top

NEW YORK, Sept. 22.—(AP)—Detroit Tigers defeated the oft-humbled Philadelphia Athletics 8-2 yesterday and climbed into a first-place tie with New York Yankees for the American League lead.

Both the Yang and the third-place Boston Red Sox were idle. The Tigers have an opportunity to take over undisputed possession of the lead today. They play the Indians a night game in Cleveland while the Yanks and Red Sox are idle.

Tigers secured the game in the first inning with a six-run barrage against Joe Coleman, who lingered for six innings. Coleman's stay was prolonged because the A's pitching staff is short due to injuries. The A's have a six-man staff including three rookies.

Base on balls were Coleman, downfall. The right-hander, who has been bothered with a sore arm, walked nine and forced two runs home.

Johnny Groth and Joe Ginsberg supplied the big hits for the Tigers. Both doubled with the bases loaded in the first inning, with Groth knocking in two runs and Ginsberg three.

Freddie Hutchinson ventrally the way for the Tigers to gain his 17th victory. Hutch was hit hard, yielding 15 hits, but four doubleplay helped him along.

In the National League, Boston Braves defeated St. Louis Cardinals 5-0 and Brooklyn Dodgers outslug Pittsburgh Pirates 10-4 to remain deadlocked for second place.

The Braves and Dodgers trail the league-leading Philadelphia Phillies by seven games. The Cubs and Chicago Cubs were not scheduled.

Lefty Warren Spain blanked the Cards in his 11th win, his 21st game. The Braves locked up the decision in the first inning when Sam Jethroe cracked a two-run homer, his 17th off the bat.

The Dodgers wiped out a 4-1 deficit with a four-run rally in the fourth and followed with a five-run blast in the fifth to clinch the game against Pittsburgh. Eddie Miksa drove in three runs on a triple and single to lead the Dodger drive.

In the only other game, Cincinnati Reds defeated New York Giants 5-1. The Reds piled up a 7-1 lead in four innings and weathered a late Giant surge that was good for four.

Sai Maglie, who had won 11 straight games and 12 for the year, was the loser. Don Mueller and Monte Irvin hit some runs for the Giants off starter and winner Howie Fox.

# Toronto Youth Attempting To Displace Ray Frederick

Travelling from Toronto to Edmonton with very little dough in your pants is risky business if you want to act regularly.

But providing the body be willing and the cause be an ambition to make the Edmonton Flyers, which is the case of young Jimmy Irwin—it isn't an impossible task.

Irwin, a fellow well experienced, overcame obstacles at the age of 21, working his way across four provinces and had enough left over to provide room and three meals a day during the training camp.

A PROBLEM Now the only problem facing the Toronto boy is to win the goal-keeper's job, which can be accomplished by proving to Frank Currie that he is better than Ray Frederick, last year's regular netminder and his assistant, Ralph Hirsch.

It is a scant three years since Irwin hoisted a leg pad and chest protector. He played center forward for the school team prior to that but filled in for the absent goalie one night and has never given up the job.

Last year he played in a merchandise league in Toronto, picking up an extra buck on the weekends by working out with the NHL teams that came to town. He credits Primeau, present coach of the Maple Leafs, as being his best teacher.

Should he fail to make the team, the enthusiastic boy will return to University of Toronto to take a chemical engineering course, which is covered by a football scholarship.

Jimmy has played a lot of football in the east and at present is favoring a badly strained right shoulder, reminiscent of the last game in which he played.

## CLIP CLIPPERS 11-5

**Eskimo Mites Play Like Namesakes**

The Stadium Eskimos, living up to the accomplishments of their senior namesakes, last night triumphed Stadium Clippers 11-5 in the first game of the Mite Football league.

Eskimos came from behind a 5-0 score at half time and scored a touchdown and convert in each of the third and fourth quarters.

Rennie Sawchuk drew first blood for the Clippers in the initial quarter when he intercepted an Eskimo pass and kicked 45 yards for a major. They failed to convert and the score remained 5-0 till the third quarter.

In this period, Eski Neil Neill intercepted a Johnny Bettin who raced 25 yards to tie the score. The contest came on a pass from Neil to "Turkey" Trak.

In the fourth quarter, Bob Rodin intercepted a Clipper pass and made a brilliant 60-yard run to give the Eskimos their 11-5 victory.

## Ball Players Receive Benefits

HAINSBURG, Pa., Sept. 22.—(AP)—A Pennsylvania appeal board yesterday ruled a professional ball player is entitled to jobless benefits during off-season unemployment.

The decision was handed down by the State Unemployment Compensation Board of Hainburg on an appeal filed by outfielder William Rodgers, Harrisburg, who plays with Hinghamton, N.Y., of the class-A Eastern League.

Rodgers, who last year also played with Beaumont, Tex., and Newark, N.J., received \$300 at the rate of \$24 for 12 weeks. Maximum benefits are \$24 a week for 21 weeks.

"Under this decision a professional ball player who can find no other employment after the baseball season is ended can receive unemployment compensation on provided he meets other requirements of the law," said board secretary Martin Janicek.

NEW YORK—Earl Hubbard once won 24 straight in the National league for the Giants. He won his last 19 starts in 1936 and his first eight in 1937.

## Ashburn Rated Most Improved

PHILADELPHIA, Sept. 22—(AP)—Richie Ashburn, a kid who learned that baseball isn't all cheers and glory, is rated by Philadelphia fans the most improved player in the National League.

Ashburn broke into big-league baseball two years ago when, at the age of 21, he hit .233 to finish second among National League batters and led the league in stolen bases.

But the Ashburn of 1949 was a different fellow. He was slugging in the outfield, a lukewarm hitter at .281 and batted in only 37 runs in 124 games.

Richie admits now that he was "pretty cocky" last season after the waves of applause that greeted him in '48.

Manager Eddie Sawyer of the Phillies put some applied psychology to work on Ashburn last spring. He announced publicly that Ashburn had lost his starting job and would have to fight for it.

In spring training, Sawyer tried rookie Ed Savicki in center field, then Dick Whitman. Ashburn did a slow burn on the bench. When Sawyer finally moved him to the lineup, Richie had a slow start.

Then, after the fourth of July, Sawyer jugged his lineup, moved left fielder Eddie Walker to leadoff and dropped Ashburn to the No. 2 spot.

Since then Ashburn has lived his batting average up to a healthy .302. And he has been playing .302.

"I learned my lesson," the quiet, soft-spoken Nebraskan observed. "To stick in this game you've got to hustle all the time."

"And," he added, "you've got to be lucky."

## Leafs Like Al Rollins

ST. CATHARINES, Ont., Sept. 22 (CP)—Al Rollins, thrown overboard by the New York Rangers seven seasons ago, seems to be gunning for Turk Broda's job in the Toronto Maple Leafs net.

Rollins was stricken by rheumatic fever while at a Ranger training camp at the age of 18. His hard fight along the comeback trail has seen him play hockey with Seattle of the Pacific Coast League, with the Edmonton Flyers, with the Canadian Amateur title in 1946, and play with Kansas City Flyers of the United States League.

Rollins played 37 games for Pittsburgh Pirates last season. This season, says Leaf coach Joe Primeau, "He has come up with flashes of mighty good goaltending. He has been particularly good on close-in plays."

—Tentative opening for the Cape Breton Senior Hockey League was set at Friday, Oct. 20, at a special meeting of the C.B.S.H.L. held last night.

It will be considered at a future meeting to have a three-team "pool" on a common goal-keeper who will be used as a spare with services available to any one club.

NORTH BAY, Ont., Sept. 22 (CP)—Buckie McDonald announced yesterday he will coach North Bay Black Hawks in the Eastern Canada Senior Hockey League this year.

The burly former defence star has been playing coach of Sundridge Beavers for the last four seasons two of which they won the Ontario Intermediate title.

McDonald, who in addition to his hockey career sits as Liberal member of parliament for Parry Sound-Muskoka, said that he will still lend a hand with coaching chores at Sundridge.

In his new job, he succeeds Pop Kelly, another former pro.

BRAMPTON, Ont., Sept. 22 (CP)—Neville (Nutch) Keating, former forward with New York Rangers of the National Hockey League and an NHL referee for the last three years, has accepted an offer to coach Brampton Regents, an Ontario Hockey Association Junior club, it was announced here yesterday.

NEW LISKEARD, Ont., Sept. 22 (CP)—Chicago Black Hawks opened their pre-season exhibition game yesterday last night with a 5-1 victory over Atlantic City Seagulls, their United States Hockey League farm club.

Billy Mastenke won the two, Pete Babando, Vic Stulak and Roy Conacher scored for Hawks.

KITCHENER, Ont., Sept. 22 (CP)—Montreal Canadiens of the National Hockey League probably will sponsor a Kitchener entry in the Ontario Hockey Association Junior A circuit, Alderman George Hainsworth said last night.

Hainsworth, former goalie with Toronto Maple Leafs and the Canadiens, said he had received a letter from general manager Frank Salva of Canadiens saying the Montreal Club probably would sponsor the club. Hainsworth has been heading a committee to try to arrange sponsorship.

WINNIPEG—There are an estimated 10,000 soccer players in Canada. The principal centres of interest are in the Montreal Club, Winnipeg, Montreal, Toronto and Vancouver, surveys show.

SHOWING chesty right-hand form at Chicago's Weigher Field is Johnny Minner. Tussing would be contacting his dad, Paul, who throws 'em from the left side for Cubs.

## Casey Holds Lead In Grid Scoring Race

REGINA, Sept. 22—(CP)—Winnipeg backfielder Tom Casey is still leading Western Football Conference point-scoring.

Statistics released yesterday by league secretary Bob Gillies show the Negro speedster has amassed 50 points, all on touchdowns.

In second place for the second consecutive week is Saskatchewan Roughriders' quarterback backfielder Hartman with 29 points. All but five of his point have been scored on touchdowns and field goals.

Royal Canadian Mounted Police Argo halfback now with Calgary Stampeders, is in third with 25 points.

One point behind him is the place-kicker, playing catch of the Edmonton Eskimos, Anson Stukus, with 24 points, made up of 17 converts, two field goals and one single.

Al Bodine of the Blues is fifth with 21 points, followed by 19-point Saturday at Bombers downed Riders and now has a total of 26.

Backfielder Mike King and End Morris Bailey of Edmonton Eskimos, and quarterback Keith Spill of Calgary each has 15.

## on the TOWN...

By Jack DeLong

### Lovely Weather

These lovely autumn days seem to be saying: "Let's give summer a wonderful sendoff."

Storm window storm: People of Bonnie Doon are storming about storm windows being put on the buses serving that area.

For instance: Mark Robertson, provincial director of personnel, is boiling about the city putting on the storm windows in this kind of weather.

Said Mark: "I've often heard the expression: 'The public be damned,' but with these buses it's a case of the public be embalm'd."

Well there you have it, Mr. Ferrier. It sure looks like a hot time in the old Bonnie Doon bus. Looks as if you're going to be roasted, too.

Dust to More Just: People living out on 149 street are hollering their heads off about the dust. These people include my boss' wife. (Main reason why I'm writing the item.)

It seems the city is back at that quaint old pastime of digging up the streets and then forgetting to cart the dirt away.

Everytime a bus or truck goes along the street the whole neighborhood looks like Hiroshima just after the bomb popped off.

One lady said: "We haven't seen a sprinkler truck out here since March 27."

Sure looks as if the city is "Doin' us dirt."

Seems as if this is the city's bad day in On The Town. Two or three regular train riders want to know why bus drivers don't hoot a warning before they start off from end of routes.

They say that buses often sit several minutes at the end of the line and then start up suddenly with passengers only a few feet away.

On other occasions passengers sprint madly for the train and then find themselves sitting four or five minutes without the bus moving.

The suggestion I'm giving to Mr. Ferrier without charge is that drivers took horns a couple of times a minute before leaving terminals. Sensible?

Something will have to be done about those dare-devil steel workers on the Mac hotel extension.

Kollie Kiel and Cpl. Dugan have lost four and three and one half pounds respectively through nervous perspiration in the last week, just looking on those 15 giddy stoves.

It's been hard on all those folks waiting for South Side buses home.

Here's an appeal to a landlord on behalf of crippled kiddies.

fair-aid room with an additional storeroom is badly needed by the Cerebral Palsy clinic, operated by the Provincial Government.

The government is building a place for these tiny victims of spastic paralysis but it will be quite some time before it's ready.

In the meantime space is urgently needed for physiotherapy treatments for these crippled kiddies. There are about 50 now taking treatment in Edmonton.

Any person who can spare a room or two suitable for the clinic should telephone Miss Phyllis Wright, secretary of the clinic at 2424 or by contacting On The Town.

A good goodnight to all and especially to Edmontonians with dust-proof lungs.

## 10,000 Visit Better Homes Exposition Daily

Over 10,000 home-hungry Edmontonians are crowding daily through the doors of the exhibition sales pavilion to lay the foundations of that dream-home of the future.

Attendance is up on consecutive days and the pavilion over last year and exhibitors report lively interest and brisk business.

Main feature of the show is the \$14,000 Home of Today, a "dream bungalow" built by the Edmonton Home Builders' Association in collaboration with the exposition office.

The Home of Today is drawing the eye and the thousands who file through daily.

DOZEN HIDS

Already more than a dozen people have put in bids for it. The home will go to the highest bidder following the show and will be set up on the Hudson's Bay Prince Rupert properties.

Among many interesting features of the exposition are continuous displays of colored motion pictures on Alberta.

Exhibits include latest feature in home construction, interior finishing, and home accessories.

Among the displays is an exhibit of forest products from Little Columbia. Centrepiece of the display is an illuminated color illustration of a giant logging truck carrying logs out of the woods. It is surrounded by colorful and artistic demonstrations of the uses to which forest products can be put.

CNR Engineer Retires Oct. 5

Thomas Woods Pinkston, locomotive engineer, Edmonton, will retire from the service of the Canadian National Railways on Oct. 5, 1930.

Pinkston was born in Keweenaw, Minn. Oct. 5, 1888. He commenced railroading on the Southern Pacific in 1901, and came to Canada from Boston in July 1912.

Pinkston will make his last trip into Edmonton on Sept. 27. He resides at 12907-130 street.

### TROOPING OF COLORS

TROOPING OF COLOR in full dress is highlight in army week. Thursday night 10th Armored Car Regt. (H) trooped color in armored cars and salute was taken by armored troop of Regiment.

The 10th Armored are only armored regiment in western Canada which trooped color in this manner.

## Bylaw Fixing Garage Hours Is Endorsed by Committee

City council will be asked Monday to approve a bylaw fixing the closing hours of gasoline service stations and garages.

The action was taken yesterday at the Civic block by Council's by-law committee.

Passage of the bylaw would facilitate immediate establishment of a special committee to study applications from service stations and garages seeking 24-hour service to local motorists.

The committee also acted on the "new blood" proposal which would be among those affected by the proposed bylaw.

Any person who can spare a room or two suitable for the clinic should telephone Miss Phyllis Wright, secretary of the clinic at 2424 or by contacting On The Town.

A good goodnight to all and especially to Edmontonians with dust-proof lungs.

Three Edmonton youths were fined a total of \$105 in lieu of 30 days imprisonment.

Edmonton Man Named to Assn.

VANCOUVER, Sept. 22.—(CP)—John P. Casey, director of the Ontario Workmen's Compensation Board, is the new president of the Association of Canadian Compensation Boards of Canada.

He was elected at the group's biennial session of a three-day convention here.

C. M. McLeod, Alberta board's executive member, presided.

The convention discussed ways of unifying compensation administration across Canada.

Proposed city charter amendments at the Alberta Union of Municipalities' convention next month.

AN IMPRESSIVE CITIZEN

World Leaves No Imprint  
On Islam Man of Peace

By BARNEY MCKINLEY

He is a little man with sparse close-cropped hair and a thin, wiry build. He wears glasses and there is a slight squint in his eyes.

But his Eminence Shah Mawla Muhammad Abdul Aleem Siddiqi, A.Q.S., Islam's ambassador of peace and good will, is one of the world's most impressive citizens.

It is impossible to listen to the account of his 35 years of travels through the nations of the world in the cause of peace without becoming convinced you are in the presence of a great man.

His philosophy—simple as the Golden Rule yet steeped enough to hold its own against the arguments of the world's skeptics—is expressed in a gentle yet compelling voice.

Actually his years in Europe and the western world have left little imprint on Islam's man of peace. He still dresses in the robes of his native land.

His taste in food is a little more

## Citizen Committee Makes Cote Plans

### Lays Down New Rules For Future Campaigns

The ghost of last year's stalling majority campaign stalked into Masonic Temple last night, to give 30-odd Citizens Committee members some anxious moments as they cranked up a new civic election campaign.

Before the machinery could be set in motion, the body had to clear the road block presented by heated recollections of what two of its 1929 majority candidates had done—deserted the ship to campaign against the Citizens Committee official majority nominee.

RESOLUTION PASSED

The meeting passed Judd Bishop's motion which said:

The Citizens Committee will request a verbal understanding from all nominees for our support, that if unsuccessful in obtaining an official nomination, they will not run against our candidates. This shall be a prerequisite of future campaigns.

Nobody voted against it—not even one of the two wayward ex-Citizens Committee majority nominees who caused the last year's ex-Alberta George Kiewit, Mr. Bishop spent up by saying had waited a year "to get this beef off my chest."

He said the group should expect anyone seeking its official nomination to fall in line behind the nominee finally chosen by the large public meeting which clinaxes pre-campaign selection.

Agitators who fell to get CC endorsement "should not go out and try to defeat our official candidate—a two majority candidate last year," said Mr. Bishop.

Both Mayor Sid Paterson, who resigned in mid-June as alderman, and Mr. Bishop had agreed to support the Citizens Committee endorsement.

When they had lost to Hanson Jones, CC secretary, both carried on their own private campaigns against each other and against Mr. Jones.

Another member had raised objection to one of the Citizens Committee executive being official candidate (Chas. E. Jones). Mr. Kiewit suggested the whole thing last year had been "extremely unfortunate."

After years of CC support, both Mayor Paterson and himself had been overlooked in last year's selection, and the group had chosen a member of its executive.

The principle was entirely sound, and the resolution was laid over the city," said Mr. Bishop.

Last year's election tabulated the meeting named 33 persons, representative of all religious, racial and business groups to the new executive.

They are: John Dwyer, Jack Weber, John Young, Alf Skerfield, Mrs. Frank Newman, Joe MacCormack, H. W. Chapman, John Tisdell, Elmer Homer, Judd Bishop, George Berg, Charlie Grier, F. J. Jones, Mr. D. J. Dwyer, Mrs. Frank J. Grier, W. J. Connolly, P. A. McKee, J. L. McKee, Mr. M. D. McKee, W. Hamilton, Stan Clark, and Claude Humphreys.

After a half-hour executive meeting, Mr. Jones said officers will be elected at a meeting next Wednesday.

# Sunshine Gift Basket Shows Thoughtfulness

By Iles Thrifty

Smattering of sunshine for shut-ins comes with a bright-eyed idea I heard about today. Thoughtful friends send a "Sunshine Basket" of gifts... one for each day of the month.

A gaily-phrased note instructs her to open one each day... and think what a break in monotony that would be. I'm a bit of a busy gal and I love to open presents myself!

Anyhow... presents included needle-work patterns and materials, books, literary note-paper, time-consuming games, toiletries, bath powders, lace handkerchiefs "n such.

New I'm sure you could think of someone to bless with such consideration and kindness... even if the gifts are inexpensive bits of nonsense.

Show your shut-ins some sunshine!

There's a bright-eyed young man about town who dabbles in the paint-pot in his limited leisure time. And same young man uses his ingenuity to create bright little gifts for kitchen-cleaning.

He'll turn his hand to high-colored floral designs in shades to blend, compliment and match any color-tone scheme of a living room, bedroom, playroom.

He's shy about his talent... but a fine fellow to know if you need special pictures to fit into your decorating ideas.

To add a tub of 'tens to suit price situation... let me tell you of threatened cost-cut-ups in British wool textiles.

This means dress and knit fashions, sweaters, coats and all the ready-to-wear pieces... which means more... will cover up the lack of material prices.

'Tis but a weekly warning, my friends... definite wool on the increases has not been confirmed.

Right now 'tens where planning winter wardrobes are taking advantage of beautiful woads, soft woads and angora accessories at prices averaging the same as last year's products of similar nature.

Angora wool blouses, blouses... the funny, thinking terms... one seeing at once at smart, gloves and boots.

Here's gloves are going at \$1.50 and upward with gloves and mittens to suit individuality.

Angora wool, the pure long-hair stuff, sells for as much as \$1 for a mere long-hair or skin. Some is available at 40c per 1/2 ounce skin.

Foundation fancies fit through my mind as I mull over a few words from dear old mother. She frequently warns her feminine chicks to give girdles the go-by at "wringing-out-the-sweat" time.

Some elastic form-firmers don't even hold their own shape... let alone yours... if they're constructed by wringing and hanging from the ceiling.

Best plan is to give some elastic through previous elastic girdle and leave on flat place to dry thoroughly. Sounds sensible, doesn't it?

PLANNING your menus for a week—or at least for the next day—will help you watch the correct balance in nutrition.

## WHY GROW OLD

### Seven Groups of Food For Pep, Youth, Beauty

By Josephine Lowman

Are you operating on only one cylinder, because you do not give your body the materials it needs for health EVERY day?

Good food means consists of the body group or nutrient value. The food that is most essential to the body is protein. Protein is the building material of the body. It is the material that makes up the muscles, bones, skin, hair, and all the other parts of the body. Without protein, the body cannot function properly.

In the third group, two or more servings of fruits and vegetables, not in groups one and two. In this group, there are many foods that are good for the body. They include fruits, vegetables, and nuts. These foods are rich in vitamins and minerals, which are essential for good health.

Just Don't Worry

LONDON (CP)—Dr. A. G. G. Thompson, health officer for Lambeth, says in an official report that the best advice for elderly persons is to "keep active and go on as long as you can."

TRIM BRUNETTE

Mrs. Dorey, a trim and efficient-looking stately brunette, is the mother of a 16-year-old son and an adolescent in Calgary city council. Second vice-president of the Alberta command, she's here attending the Canadian Legion convention.

What does she reply to the girls who write her for "start up the C.W.A.C."?

"I can only tell them... the defense minister has said the enlistment of women is under consideration."

# YOUR BABY AND MINE

## All Babies Don't Have Same Reason for Crying

By Myrtle Meyer Eldred

There is no one answer to why a sleeping baby should waken at night and cry. It might be hunger, as often the last meal of the day is less "hearty" than is necessary for sound slumber.

It might be that the baby sleeps too much in daytime and has to awaken at night. If ignored by the sleepy parents, it would cry.

"Our baby is almost nine months old," writes Mrs. M. J. "and recently he began waking and crying at night. I always found him but he would not be soothed. So I felt that this was the reason he wakened."

"I try to get to him as quickly as possible and after I remove his diaper I cuddle him and hold him on the potty and he voids. I have found that he is subject to night-mares when he has been hurt or frightened in the daytime. My baby didn't have any teeth until a week ago and now he has two, shiny ears."

It is just possible, Mrs. M. J., that the coming of these two teeth had something to do with the baby's fretfulness. Every mother knows that babies do eat fatty, starchy, and sweetened foods, and these foods are not good for the baby's teeth.

Our latest No. 38 "Hours of Sleep" may be had by sending a stamped, self-addressed envelope with your request to Myrtle Meyer Eldred in care of this newspaper.

Velveten For The Velvet Look On Campus

Because velvet itself is too dressy to wear on the campus or for any sort of casual clothes, there is no reason for you to do without the velvet look this year. Velvet is just as glamorous and is perfectly practical too. In fact, I think the dull bloom of velvet and its wonderful colors often make it, even prettier than velvet. Velvet, even suits and velvet separates are the things to wear.

Of course, Or a wonderful velvet blouse or skirt to wear with your own tartan skirt. Or one of the very smart new casual velvet blouses. Best of all, velvet has the backing of Paris too. I saw it there in the latest collections.

## LOBA Grand Mistress Here For Lodge Inspection Tour

An illuminated address of welcome, and gifts, were presented to Mrs. M. A. McIntyre, grand mistress of Grand Lodge of British America Ladies' Benevolent Association, when she made an inspection of Edmonton lodges recently.

Thirty-five LOBA past mistresses, as entertained at the Alberta Protestant Home for Children in her honor, and following a tour of the home, an informal social hour was held.

Mrs. McIntyre, and out-of-town past grand mistresses, were entertained at luncheon, at the home of Mrs. Alexander Barr.

Joint meeting of LOBA members from northern Alberta was held with Provincial grand mistress Mrs. O. E. Wilson presiding. Past mistresses and present Provincial Grand Lodge officers took office for the evening.

Mrs. McIntyre spoke of her visit to New York, and St. John's Newfoundland, where she was elected Most Worshipful Grand Mistress in June.

Grand lodge officers of Alberta and past grand mistresses entertained at a dinner the following evening at the Seven Seas where they presented Mrs. McIntyre with a gift of sterling silver.

Mrs. McIntyre has now returned to her home in Ridgeland, Sask.

Resolution, one of a number passed at the closing meeting, urged members to refrain from supporting such affairs in any way.

Other resolutions urged that the federal government be asked at its next conference with the provinces to ask that liquor advertising be banned in all provinces; that members cancel subscriptions to magazines carrying liquor advertising; that tests for drunken drivers be legalized; that the United Nations be given the utmost support; that the federal government continue the ban on crime comics, for which it was commended.

# Thursday's Queen for Day Waited Long for Lady Luck

Queen Ruby was crowned yesterday to reign over the Better Homes Exposition—and she deserved her good fortune.

Her Royal Highness, who is known to neighbors as Miss Trussell, figures she has entered between 200 and 300 contests and has never won anything more exciting than a box of nuts.

But Mrs. Trussell had the wheel on fate rigged yesterday as she thought she could hardly have lost if she wanted to.

"Two years ago I won the first double. It was August 71, so I bet two-one-number two in the first and number one in the second," she said.

**THURSDAY AND 21**

"So I figured the only way to win the queen contest was to enter it on the 21st again," she explained joyfully. "Then, when I found the 21st came on a Thursday, I began to think I might have a chance—Thursday has always seemed to be my lucky day."

After being crowned, Queen Ruby was told of still another one which favored her. During the out-of-the-state of the sales pavilion she sat in the first chair, the chair which every queen this week has occupied.

Mrs. Trussell, who lives at 11734 19<sup>th</sup> st., is the wife of a former Donna Day.

QUEEN RUBY, ... Ripped the Royal Race

in the Northern Alberta Railway and has a four-year-old daughter, Mrs. Trussell.

She'll wait until her hubby's hot days roll around (the spring) so they can take their dreamtrip to Hollywood. Together, and she's going to arrange to be in Las Vegas on the 21st of the month—a Thursday if possible.

"I've won twice on the 21st," she said. "You never know, I might make a real killing down there in those gambling places."

**CONTESTS HOBBY**

She's been entering contests for years as a hobby, she revealed, including every contest the Bulletin has run.

"That's one of the things I like to do on the Bulletin," she added. "I've only won three times out of two or three hundred contests. Twice I've won a dollar and once I won a box of nuts. Now that I've won a trip to Hollywood, I can hardly believe it," she said excitedly. "I'm still pinching myself to make sure it's true."

The Queen for a Day contest is sponsored by the Better Homes Exposition teamed up with the Bulletin and radio station CFBN. The contest is broadcast daily from the stage of the sales pavilion.

Official entry forms are carried in the Bulletin for this exciting contest. These will time to enter and make yourself eligible for a free 4,000-mile trip to Hollywood.

**Nationalists Make Commando Raid**

HONG KONG, Sept. 22.—The pro-nationalist paper Kung Sheng Daily News said today the Chinese Nationalist made a commando-like raid last week on Nansha Island, 10 miles northeast of Communist Swatow.

Unconfirmed elsewhere, this report said the Nationalists withdrew after seizing more than 100 prisoners.

**Netherlands May Sign Peace**

THE HAGUE, Sept. 22.—(Reuters) The Netherlands is expected to follow the example of Britain, France, and the United States in ending the state of war with Germany.

Informed circles said consultations with Belgium and Luxembourg, the Netherlands' Benelux partners, will be necessary.

IN BRIEF

## M.D. Chooses First Woman As Secretary

CASITOR—History was made when councilors of M.D. Painters at their last meeting appointed as secretary-treasurer Jenny Tomlinson.

Miss Tomlinson, the first lady secretary-treasurer to be appointed to a large municipal district in this province, took over duties yesterday.

She had been assistant secretary for the last six years.

## Newsman Quits Wetaskiwin Post

WETASKIWIN, Sept. 22.—Frank Avery, news editor of Wetaskiwin Times for more than two years has retired from active newspaper work.

He came to Wetaskiwin from Edmonton and Winnipeg where he had spent more than 20 years on the staff of the Winnipeg Free Press before joining the staff of the Edmonton Bulletin.

Mr. Avery was released from hospital after this month following a serious illness and returned from the staff of the Bulletin to his home in Winnipeg where he will take up a less arduous position with a private firm.

## Teachers Meet

MYRMAN, Sept. 22.—Sixteen teachers from Myrmman and Dewar schools of the ATA met with E. Hangoick, superintendent of Twin Hills school division, Monday at Myrmman, to plan the social studies program for the year.

Trent, M. Hernandez, No. 3, Rodriguez, H. Bauer, E. Wood, J. Martin.

## Self-Inflicted Wound Said Cause of Death

DAWSON CREEK, H.C., Sept. 22.—Coroner's jury investigating the death of J. Hutz in Dawson Creek barracks Sunday morning, decided yesterday death was caused by a self-inflicted wound.

Evidence showed that who was awaiting trial in the supreme court on a statutory charge had been out on bail, but the bondsman reportedly had revoked their bonds, making it necessary for Hutz to be again held in custody.

Sunday morning the prisoner asked permission from the MCO in charge to assist in cleaning up barracks as he had previously been a model prisoner, this was allowed.

## School Union Votes

CLYDE, Sept. 22.—Clyde Students' Union held their annual meeting this week to elect new officers, voting Gordon Aultman in as new president.

Others were: Carl Hicks, secretary and Maxine Kinsman, vice-president; Amelia Hingstad student convener.

Arrangements were made for a well-attended here Friday, with Westlock, Harbath and Athabasca as visiting teams.

from a Smith and Wesson revolver fired in the WCC's room.

Jury decided: That the deceased came to his death as a result of a self-inflicted wound from a shot.

## ASHMONT BOY'S LEGS BURNED BY GASOLINE

ASHMONT, Sept. 22.—Eleven-year-old Robin Campbell suffered painful burns about his legs while playing with gasoline this week.

The flames caught Robin's clothing when he attempted to kick the bottle away. His companions were able to extinguish the blaze when they removed his trousers.

The boy was rushed to Vilna hospital by his parents, Mr. and Mrs. Sid Campbell, who know nothing of the gasoline being taken until called to the scene.

## Charges Against U.S. Sent to UN Assembly

NEW YORK, Sept. 22.—(AP)—The steering committee sent today to the UN General Assembly Russia's charges of United States aggression against China, but deferred action on an American proposal to place Formosa's future in the Assembly's hands.

Nationalist China was the only country opposing a hearing of Russia's charges against the United States. The American delegation voted to include the item on the Assembly's agenda.

The 14-member committee's postponement of the American resolution was decided five votes to one, with eight abstaining. This was done at the request of Nationalist China.

T. P. Tsiang of Nationalist China told the committee: "I have not yet received the instructions of my government in regard to this matter. ... A delay of two or three days would not hamper the work."

The Russians insist Formosa is

## Hog-Raising Advanced As Money Plan

GUELPH, Ont., Sept. 22.—(CP)—Agriculture Minister J. G. Gardiner last night urged Canadian farmers to go into hog production and put "two dollars into their pockets."

In an address prepared for delivery before the Rotarians Farmers' Night banquet here, he said farmers could make more money during the next two years by feeding hogs than in any other way.

"A good eastern crop of feed grain, a good western crop of feed grain and an abundant supply of from western wheat," he said, "should raise the production of hogs over at least two years."

**NO SURPLUSES**

He said that Canada has had no accumulations or surpluses of staple farm products since 1944. There have been temporary surpluses of potatoes, apples, honey, processed milk and cheese. Federal assistance was extended in all cases. There had been some "very rash statements" made about butter. The government, he said, did not plan to have butter for export. Canada's butter production always had balanced her home requirements "almost exactly."

Some 67,000,000 pounds of butter now were in storage but that was not a surplus. It was the amount of butter produced in the summer which must be carried over for the winter months.

## French Push For Dongkhe

SAIGON, Indo-China, Sept. 22.—(Reuters)—French units, pushing northwest towards the fallen Foreign Legion outpost of Dongkhe near the China border, were believed today to be feeling out cautiously the strength of the Viet Minh Communist guerrillas there. They had not yet reached the burnt-out town, a French army spokesman said. The French lost it Monday after two days' fighting in which 200 French Legionnaires made a stand to the last man.

Other usually reliable French sources were not sure Dongkhe was the primary objective of the current Communist operations. Looky, 120 miles west of Dongkhe, is still in French hands. Viet Minh guerrillas are massing in the rugged mountains around Pakha at the east end of an area of defence posts defending Looky. Looky, on the Yunnan border, commands the valley communications from Chiu to the French-held Tonkin delta rice bowl.

## Diplomas For Three City Men

Three Edmontonians will be awarded Priority Votes of Thanks, diplomas presented for work with St. John Ambulance Brigade, by W. J. Bennett, Ottawa, director of ambulance for the brigade, next Tuesday.

T. W. Foster, J. L. Nott and Cpl. E. C. R. Woods, RCMP, will receive the diplomas at St. John headquarters at 4 p.m.

## Man 'Telling the Truth' In Oakes' Murder Case

OAKLAND, Calif., Sept. 22.—(AP)—The 31-year-old machinist whose bar-room talk set off a fresh investigation of the 1943 unsolved murder of Sir Harry Oakes in the Bahamas, was "telling the truth," yesterday.

"As far as I am concerned, Edward Majava is telling the truth," said Augustus Roberts, assistant police superintendent at Nassau, as he made ready to fly back to the Bahamas.

Roberts said the investigation would continue, but he declined to say what the next step would be.

Meanwhile, Majava, who had police a "Florida society woman" told him who bludgeoned the Canadian mining magnate to death in his Nassau mansion, was released from jail.

**MURDER** of Sir Harry Oakes has brought police officials from Nassau to Miami County seeking Betty Roberts, pretty blonde who was important witness in original 1943 murder trial. Yesterday police questioned ex-seaman Ed. Majava, 31, right, who claimed to know who killed wealthy ex-Canadian mining tycoon.

**MOSLEM FAITHFUL** face southeast to Mecca, Islam's holy of holies in Arabia, as Feast of Abraham's Sacrifice, second most important religious service of Moslem year, is celebrated throughout the world. In Edmonton members of El-Rashid Mosque, Canada's only church of type, went to early morning service today. Service was led by high-ranking Moslem orthodox churchman, His Eminence Shah Maulana Mohammed Abdul Alom Siddiqui Al-Qaderi, Islam's "ambassador of peace and good-will."

## Third Friendship Train Sets Record for Passenger List

The third annual Chamber of Commerce Friendship Train, to Red Deer, will have approximately 1000 members aboard when it leaves Edmonton Monday morning.

It sets a new record in numbers participating. The special train will leave CPR in the afternoon with the train due at Red Deer at 5:30 p.m. where the members will spend the night. On Tuesday the party will visit

Alx, Stettin, Donald and Camrose. O. C. McIntyre, president, and J. R. Munro, vice-president will head the delegation with Mr. McKay. A stop will be made at Lacombe in the afternoon with the train due at Red Deer at 5:30 p.m. where the members will spend the night. On Tuesday the party will visit

## Best System Of Taxation

Mayor J. M. Stone of Jasper Place village told the Bulletin today that he will do his "level best" to see that the village gets the best tax system available for local improvements.

Ratespayers at a meeting Tuesday approved the foot-frontage basis of taxation for local improvements. "I will do my level best to see that the council makes a thorough investigation of methods used by other places so we can get the best setup," Mr. Stone said.

## Deadline Yets For Navy Vets DVA Benefits

Warning to all wartime Merchant Navy veterans that Sept. 30 is the deadline for applications for the vocational training benefits obtained for them by the Canadian Merchant Navy Veterans Association was issued.

All wartime seamen who have not yet applied for this training are urged to immediately write to the Department of Veterans Affairs at Ottawa, or contact their nearest DVA office. The training includes practically every vocation desired and carries with it living allowances.

## Harvesting Better Say Rail Reports

### Saskatchewan, Manitoba Outlook Is Brighter After Frost, Rain

WINNIPEG, Sept. 22.—(CP)—Canada's two major railways in weekly crop reports today said that harvesting operations in Saskatchewan and Manitoba are picking up speed again after delays caused by prolonged rains and frost.

Alberta was reported to have had another week of ideal harvesting weather.

CPR said harvesting would be resumed in all parts of Manitoba by the end of the week. In Saskatchewan, heavy dew, fog and frost followed the rain of the previous week but operations were being resumed in many districts.

In Alberta, 45 percent of the wheat crop has been threshed. Last year at this time 90 per cent had been threshed.

**ONLY 10 PER CENT**

Manitoba had only 10 per cent of its wheat threshed as against 98 per cent at this time in 1948. Saskatchewan last year by this date had completed threshing and combining on 91 per cent of its wheat. This year only 30 per cent has been done.

CNR reported Northern Saskatchewan as well as all of Alberta enjoyed favorable harvesting weather during the last week. It said Central Alberta needs only another 10 days to complete its harvest.

Some sprouting in awn grain as a result of dampness was reported in south-central Manitoba by CNR.

It said that between Brandon and Kipling wheat is yielding 20 bushels to the acre and grading No. 2 and 3, and between Neepawa and Russell the yield is down 20 per cent from last year.

Saskatchewan wheat was said to be yielding from 15 to 25 bushels an acre but grading only No. 3 to 4.

**NEARLY DONE**

Harvesting is nearly completed in the area northeast of Calgary, with yields averaging higher than last year and frost damage comparatively light. CNR reported yields low around Edmonton, Camrose, Kingman and between Edmonton and Vegreville, with yielding 10 to 15 bushels an acre and grading No. 2 and 3.

In the Peace River area, cutting of grain is completed and combining and threshing of wheat 40 per cent down. Wheat is averaging 12 bushels to the acre and grading No. 5.

The Canadian National Exhibition grounds in Toronto cover an area of 300 acres.
